

WOMEN'S HEALTH & CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

All stages of reconstruction of the breast on which the mastectomy was performed;

Surgery and reconstruction of the other breast to produce a symmetrical appearance;

Prostheses; and

Treatment of physical complications of the mastectomy, including lymphedema.

This coverage is subject to the same deductibles and co-payments consistent with those established for other benefits under your plan.
