PLEASE BRING YOUR INSURANCE CARD TO YOUR APPOINTMENT

The Skin Cancer Screening is paid at **100%** for members covered under the AzMT medical benefit plan ages 18 and older. Members under the age of 18 may participate **only** if there is a new or changing lesion and are accompanied by a parent or legal guardian.

Non-AzMT members will be required to pay \$145 for the screening at the time of their appointment via cash, card, or check.

With the guidance from the Nurse Practitioner, participants may elect to have non-malignant lesion removal using liquid nitrogen treatment **immediately** at the time of the screening. EPO and PPO members will be responsible for a co-pay. HDHP members will be responsible for the full amount unless you have met your deductible.

Lesion Removal Prices are as follows:

- * \$90 for removal of 1st premalignant lesion.
- * \$20 for each removal of 2nd—14th premalignant lesions.
- * \$300 for removal of 15 or more premalignant lesions.

This is a comprehensive skin screening and participants will be asked to undress to their level of comfort and wear a paper medical gown for the examination.
